

Fibre Optic Hose

Schilling to Scorpion

innova.no

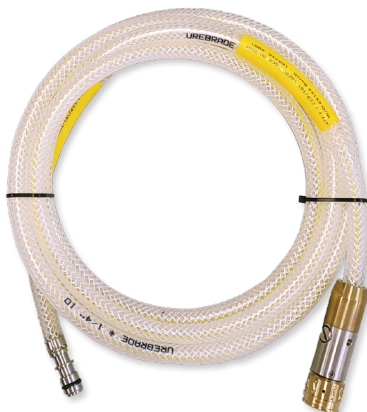

Part number: 472-F-1-CCP/Schilling 1081129
472-G-4-CCP/Schilling 1081130

Fibre Optic hose from Scorpion 472 series connector to Schilling fibre connector. 4 pins and 1 pin Scorpion connector available.

This fibre hose was created to seamlessly integrate our Matrix multiplexers with ROV systems that use Schilling fibre connector. This will eliminate the need for adaptor bottle.

Matable from Schilling fibre connector to:

- Seacon OPTF-1
- Seacon OPTG-4
- Scorpion 472-F-1
- Scorpion 472-G-4

Key features

- Schilling fibre connector in one end, Scorpion 472 in the other end
- 4 meter PBOF
- Single mode
- 5000m depth rating
- Intermatable with Seacon OPTG-4, and OPTF-1
